

when I was captured on the battlefield of Afghanistan by Afghan puppet government armed forces and handed to their Amer. buddies I had not passport, no any document of identity. Thus, c.i.a recorded my name using diverse sources, including Russian media. While living in Russia I frequently attempted to correct my name, but resultlessly because of Russia's imperial character of laws. Here I also, attempted to correct my name through past attorneys, resultless as well. My real name: Idris Higiz Hamidu LLH. Russian imperial bureaucracy hate such a name, because the four last letters is the name of the Divinity, they overtly announced that & follow their imperial policies in every aspects & branches of their imperial administrative structure. You hypocritically claim the democracy, & the follow of international rule, respect of humane rights, but suddenly you blackly hate Islam & its adherents, openly showing that by illegally impounding me in your morally decayed country & refusing to correct my name in the documents of my case. I write this message just as an obliged by single true religion to apply my utmost attempts to reach my positive goal. My real name: Idris Higiz Hamidu LLH, I demand it to be recorded in my case correctly.

Hamidu LLH, 8499-083, H-301. OORX.

Part A- INMATE REQUEST I have no passport, Russian embassy in Pakistan refused to give my passport to department of internal affairs of Pak-n, when latter wanted to extradite to expel me to Russia, in order to prevent my return to Russia & they achieved their goal. Thus, my last name was written according to my dossier in c.i.a, which never saw my passport & in its turn, wrote my last name from Russian newspapers. You respect dead pieces of papers & disparage & derogate human beings & their wills. Name of my grand grandfather was "Hamidullah". Thus, I am Frek Ilogiz Hamidullah. Last four letters are the name of the Divinity, <sup>imperial</sup> Russian government distorts the Divinity's name, insults, national minorities in Russian empire. You are doing the same, hypocritically claiming democracy & human rights respect. I know my correct name, not your Russian infidel brothers, thus I have right to bear my correct name & demand that. 14 June 2019 Frek
